

HOLLICK

Coonawarra

2004 Shiraz Cabernet Sauvignon

The 2004 vintage of this wine is a blend of 65% Shiraz and 35% Cabernet Sauvignon. The majority of the Shiraz in this blend is from the "Red Ridge" vineyard at Wrattenbully, which is located about 50kms north of the Hollick Coonawarra winery. The majority of the Cabernet Sauvignon component is from the Wilgha vineyard at the southern end of Coonawarra. This uniquely Australian blend has been made in the tradition of the great Shiraz blends that have helped make the region famous.

The very successful 2004 vintage was typified by generous yields and a long growing season which has resulted in fruit displaying great colours and flavours. The fruit for this wine was harvested in mid to late April, and following crushing and fermentation, the wine was matured in French and American oak hogsheads for 15 months.

Colour: The 2004 Shiraz Cabernet Sauvignon presents with a vivid plum red colour and purple at the rim.

Aromas: The nose is dominated by pure fruit aromas of raspberries, plums and black cherries.

Flavours: Medium to full bodied, this is a wine that showcases the fruit characters of the varieties. The palate is juicy and supple and displays intense ripe plummy Shiraz combined with the berry fruits of Cabernet Sauvignon. Good intensity and slippery tannins ensures a long, persistent palate.

Cellaring: The harmonious balance of this wine enables it to be consumed now, although cellaring for 4-7 years will be rewarded.

The wine is well suited to red meats with robust sauces and mature cheeses. Our chef recommends a chargrilled eye fillet with a mushroom, pancetta and Shiraz Cabernet glaze to accompany.

Technical Details

Alc/Vol	13.5%
pH	3.47
Total Acidity	6.75g/l
Bottled	January 2006
