

# HOLLICK

Coonawarra

## 1995 Cabernet Sauvignon Merlot

This wine is made from estate grown fruit, comprising 85% Cabernet Sauvignon and 15% Merlot grapes. It displays the benefit of the long cool growing period typically experienced in Coonawarra with deep berry and cassis aromas and flavours showing through.

The 1995 vintage was cooler than average with a smaller crop and slightly lower sugar levels. This resulted in a wine of medium deep crimson colour, lifted berry aromas and significant flavour intensity and impact on the palate. The grape flavours are enhanced by subtle vanillin and spicy oak nuances following twelve months in French and American oak hogsheads, which has contributed to the complexity and structure of the wine.

The balance of fruit, acid and tannin allows the wine to be enjoyed now, although cellaring for 5-7 years will be rewarded.

Red or white meats and cheeses are ideal accompaniments to this wine.

### Technical Details:

Baumé	12.7° Bé
Alc/Vol	12.5 %
Total Acidity	7.29 g/l
pH	3.27
Volatile Acidity	0.76 g/l
Bottling Date	February 1997
